

CALL FOR PAPERS

3rd International Annual October
Conference on Education and Lifelong Learning (2016)
6th - 7th October, 2016

**Kenyatta University
School of Education**

THE OCTOBER EDUCATION CONFERENCE

Theme

"RE-CONSTRUCTING EDUCATION FOR SUSTAINABLE DEVELOPMENT FOR ALL"

Preamble and Objective

The School of Education, Kenyatta University, invites papers for the 3rd International Annual October Conference on Education and Lifelong Learning. The main objective is to provide scholarly space for critical discourse on the Sustainable Development Goal (SDG) on Quality Education and its 10 Targets. Participants will foreground education as a constant in all development sectors and key in reducing vulnerabilities to economic, social and environmental risks. Papers will draw from research that brings out theoretical and practical implications for inclusive quality education in the shaping of contemporary knowledge and responsive learning; innovative pedagogies that energise reflectivity in attainment of transformative capabilities, attitudes and values that catalyse high level productivity for humanity.

The following thematic clusters will guide contextualisation of issues within a discourse of the Education SDG and its Targets

Thematic Clusters

1. Curriculum reforms, design and progressive equitable quality education

- Literacy and numeracy and communities of practice
- Health education, schooling, families and environmental contexts
- Technical and vocational education and training (TVET)
- Needs based learning and alternative education
- Teacher professional development, re-tooling and reforms

2. Partnerships in attaining SDG education targets by Year 2030

- Government and private sector collaboration in education provision
- Civil society and community participation in education
- Corporate social responsibility in education
- School-wide programmes and education for sustainable development
- Higher education collaborative roles and accountability

3. Educational Administration, Management and Leadership

- Educational policy, planning and sustainable development
- Educational financing and economics of education
- Institutional participatory governance, student leadership and support
- Self-directed learning
